DESCRIPTION

Welcome to The Courtyard Wimbledon, an ideal location for all your office requirements. This modern office suite is situated on the 3rd floor and offers excellent natural light. Recently refurbished with energy-efficient LED lighting and air conditioning, the suite provides a comfortable working environment.

Space Tailored to Suit You

We encourage our incoming tenants to have their say on flooring, feature walls and services. We need your input for the final touches! Let us tailor the space for you with finishes that reflect your company image. Services such as air conditioning and perimeter power can be installed to meet your layout. We believe this approach not only helps you create an office that suits your business but saves you money on fit-out costs.

DEAL DIRECT

Wimbledon Offices own and manage their buildings. We do not use management agents instead; we have staff in our buildings to ensure our tenant's day-to-day needs are met promptly. We're always available to help. From discussing lease options to handling handyman tasks, we're here to make sure your needs are met promptly. We take care of everything, from collecting recycling to dealing with compliance matters such as emergency lighting and escape route checks. Plus, we can help manage your workspace, so you can focus on growing your business and delivering exceptional products and services.

Our commitment to our tenants is reflected in our long-standing relationships - the majority of our tenants have been with us for many years. We take pride in supporting them in their continued development and providing them with pleasant and enjoyable workspaces. When you choose Wimbledon Offices Ltd, you can be confident that you'll receive exceptional service and support.
